**DRILLING STARTS
AT THE BELL MOUNTAIN GOLD PROJECT**

Rouyn-Noranda, Quebec, **GLOBEX MINING ENTERPRISES INC. (“Globex”) (GMX - Toronto Stock Exchange)** is pleased to announce that Platte River Gold (US) Inc. has informed Globex that on or about today, November 30, 2004, they will commence a minimum 8 hole, 1,600 metre drill program on first priority targets at Globex’s Bell Mountain gold property in Churchill County, Nevada. If the visual results are positive, up to 15 approved sites of 20 defined targets will be drilled.

Platte River has completed surface and underground mapping and sampling on the property.

The Bell Mountain property includes an open pit table, heap leachable gold zone.
